

To Whom it May Concern,

My name is Ray Kallmeyer, I am the CEO of Enklu, a leading augmented reality tech startup. I'm writing this letter to wholeheartedly recommend Juan Ferrer for any position requiring exceptional talent and unwavering dedication. As a Technical Designer at Enklu, Juan consistently demonstrated remarkable skills and an unparalleled commitment to his work.

Juan's versatility and skillsets set him apart. From Level Design to Character Design, Character Controller setup, and Gameplay Design, he excelled in the wide variety of responsibilities we asked him to dive headfirst into. Proficient in scripting with Javascript and highly knowledgeable in Unity, Juan's contributions were invaluable to our team.

Juan's dedication to quality and excellence is unmatched. He willingly invested late hours to ensure mission critical launches and deliver exceptional project deliverables. His talent and commitment make him an ideal candidate for any team seeking excellence.

Several of Juan's gameplay ideas became core features of our most popular experiences. Notably, his innovative casting mechanic in SightCraft and highly regarded character interactions in The Impossible Zoo received acclaim from users across the US.

I also entrusted Juan with mission critical deliverables for Fortune 100 companies like HSBC. Juan possesses a rare talent for crafting 5-star holographic experiences, combining scene design, gameplay design, augmented reality UX, and intricate scripting.

In summary, I give Juan Ferrer my highest recommendation for any position demanding exceptional talent and unwavering commitment to quality. His impressive skillset, dedication, and proven track record make him a valuable addition to any team. Juan's passion, creativity, and technical expertise will undoubtedly contribute to the success of AAA gaming teams, innovative product teams, as well as AR/VR and 3D ventures.

I recommend Juan Ferrer without reservations. For further information or any questions regarding Juan's qualifications, please feel free to contact me at ray@enklu.com or 619-316-2297.

Thank you for considering Juan's candidacy, and I am confident that he will make a significant impact wherever he goes.

Sincerely,

Ray Kallmeyer

CEO, Enklu
